### **Matriculation to College 2012**

As in 2011, we followed up with children who appeared in SSC-II (Matriculation) exams of 2012. And as always, our objective is to follow up with ALL the children and not just those who are on Financial Assistance.

23 children were identified in Ibrahim Mohalla who appeared in SSC-II exams this year. Follow up started as early as May 2012 and is continuing even now.

A summary of these 23 children is as follows;

Enrolled in Colleges	17
Failed Matric	05
Not interested in further studies	01

All the children are enrolled in government colleges. For the children who have failed in 1 or more papers, we are working on convincing them to appear in supplementary exams. Some of the children will be counselled to consider Vocational Studies.

Choice of study of these 17 children is as follows;

<b>Groups</b>	Male	Female	<b>Total</b>
Commerce	5	4	<b>9</b>
Pre-Engineering	2		<b>2</b>
Pre-Medical		1	<b>1</b>
Arts	1	4	<b>5</b>
<b>Total</b>	<b>8</b>	<b>9</b>	<b>17</b>

The Mohalla Team has worked hard on these students. Their efforts are very much appreciated. They will now work on the students that have failed in Matric Exams, one, to ensure that they are convinced to appear for supplementary exams, and two, that they prepare well enough to clear them.
