Matriculation to College 2013

3 children appeared in Matriculation (SSC-II) exams from Qutbi Mohalla this year, all from sub-standard schools, 2 boys and a girl.

One of the boys secured a B grade and has opted to study Pre-Engineering in a Government College. The other obtained a C grade and had decided to pursue Vocational Education in the Electrical field.

The third student averaged a D grade in her exams and is pursuing Commerce in a Government College.

We thank the Mohalla Team for their efforts in the follow up of these children.
