<u>Other</u>			
	Karachi Public		1
	Nasra		1
	Habib Girls		1
			3
<u>Total</u>			16

Overall statistics of the Mohalla for children up to 15.5 years are as follows;

	No. of Children	Under 2.5 Years	Not going to School	Sub Standard Schools	In Standard Montessori	In Standard Schools	Achievement %
2015	298	22	17	13	5	241	89%

Work will re-start on admissions after summer vacations with most of “not going to school” children, who are approx 3 years of age, expected to get admissions in standard schools.

Our thanks to the EM Education Team. Team members Taha Bhai Anjarwala, Shabbar Bhai Shakir, and Murtaza Bhai Jawrawala have been with this program since the beginning and continue to devote large amounts of time to it. Yousuf Bhai Lathiwala and Fatema Ben Mirza continue their support to the team. A few new members have been added and we hope they will play a role in the EM Education Team in the years to come.
