Admission Summary 2012

Admissions have almost come to an end in Ibrahim Mohalla. The Ibrahim Mohalla Education Team has worked extremely hard these past few months to ensure that children get admitted in standard schools and montessoris.

A total of 20 children have been admitted in standard schools and 4 in standard montessoris. A school-wise breakdown of these children is as follows;

Saifiyah Boys School	4
Saifiyah Girls School	5
Trinity	1
	20

Standard Montessori

Toddlers Montessori	2
Park View Montessori	1
Daniyal Montessori	1
	4

A comparative summary of the last two years for children upto 15.5 years is as follows;

	No. of Children	Under 2.5 Years	Not going to School	In Sub Standard Schools	In "Quality" Schools	% in Standard Schools
2012	322	41	3	26	252	89.68%
2011	354	48	9	29	268	87.58%

For the purpose of following up on children who go to Montessori only schools, we keep them in the sub-standard category. The objective is to monitor them till they become 5.5 years of age and make sure that they select a standard school that goes upto Matric. 9 of the 26 are studying in Standard Montessoris including a few who were admitted last year. The rest are in higher classes and refuse to be convinced to move to a better school. Just a few children under the age of 5.5 are remaining in sub-standard schools. We continue to work on them.

Work continues in the Mohalla. Immediate tasks involve getting results of children and after that monitoring the children who have appeared in SSC exams this year.

Our thanks to the Ibrahim Mohalla Education Team for the effort they have put in.
